Feedback ...

"Dear Big Al, I have attended many clinics over the past seven years and yours was far and away the best. I implemented your approach for keeping the kids busy and involved during our first practice today. It was the best I ever had. Thanks!"
- Glen

"BIG AL - As a 1st time coach for my Son's T-ball team I found your clinic and "training package" priceless. I will be using your skills to teach our little ones to be good players and on and off the field."
- Coach Aaron

I have always been concerned about how the young players are being taught the fundamentals of baseball. However after watching Al Price and his son Scott conduct their clinics around the country, I am convinced that the people who attend their clinics are being taught properly, and that makes me feel better about the future of the game.

Sincerely,

If you can't get to the clinic order your own set of resources at
