Feedback ...

I loved the clinic! I have been coaching baseball for 3 years and this coaching clinic has revolutionized the way I will coach from now on!
- Coach Craig

The best program I ever attended and I've been coaching for years. Your program taught me all over again...except the right way this time. I bought your T&D program and continue to use it every day!
- Coach Marvin

I have always been concerned about how the young players are being taught the fundamentals of baseball. However after watching Al Price and his son Scott conduct their clinics around the country, I am convinced that the people who attend their clinics are being taught properly, and that makes me feel better about the future of the game.

Sincerely,

Joe Torre
